

GIRLS GO TECH WORKSHOP

Join us Saturday, April 16th for a fun filled day of Technology (including Raspberry Pi computers and Alternative energy sources) and a campus scavenger hunt.

Meet Capt. Wendy Lawrence, U.S. Navy and NASA astronaut (retired) and Dr. Melissa Rice, WWU professor and member of the Mars Curiosity rover team. You will also learn what WCC offers in programs directing you towards a future career in technology.

Where? Whatcom Community College, Syre Student Center

When? April 16, 2016

Time: 9am – 3pm

Who? Middle School Girls PLUS a Parent or Guardian

Cost: \$10.00 (includes 2 lunches & a T-shirt!)

Questions? Email lgardner@whatcom.ctc.edu or call 360-383-3190
