

STUDENTS LEADING CHANGE

Student Led / Student Run

Saturday, May 11th, 2019. Check in at Syre Student Center, Whatcom Community College

The Students Leading Change Conference, held at Whatcom Community College, is student led and student run. This conference provides students with the opportunity to present workshops on social justice issues they feel need to be addressed. The conference is open to students outside of Whatcom Community College and community members. The goal is to provide a safe and inclusive environment that focuses on education, which will enrich our communities understanding of social justice issues.
